Easy-to-use oral powder anywhere, anytime,  
Cleaning : Time™

## WE FIND ANSWERS IN NATURE.

A MOUTHWASH CONSIDERING YOUR IMMUNITY.  
CHEMICAL-FREE, 100% NATURAL INGREDIENTS.

# NO CHEMICAL! ALL NATURAL!

Edible oral powder made from 8 kinds of "natural ingredients" without chemicals.

Ingredients: Xylitol, balloon flower, quince, mint, lemon, green tea, propolis, enzyme salt

## ANY WHERE! ANY TIME!

Easy-to-use oral powder anywhere, anytime, **Cleaning : Time™**

- 01 When your mouth and throat do not feel fresh on a day with heavy fine dust or yellow sand.
- 02 When you cannot brush your teeth after snack on a public transportation like airplane, train or automobile.
- 03 When you are worried about bad breath just before a meeting or dating.

- # It can be used anytime, anywhere without looking for a bathroom or a sink to spit out.
- # It is compact and easy to carry.
- # Technical partnership agreement with Clinical Translational Research Center for Dental Science of Seoul National University.

## CLEAN YOUR MOUTH & THROAT

**Cleaning : Time™** Use it like this~!

### # How to use

1. Lightly squeeze the tube before use to loosen the powder.
2. Lift up a tube and press it to spray into the mouth.

### # TIP

After gargling your mouth, swallow or spit based on your preference.

It is more refreshing when used with water.

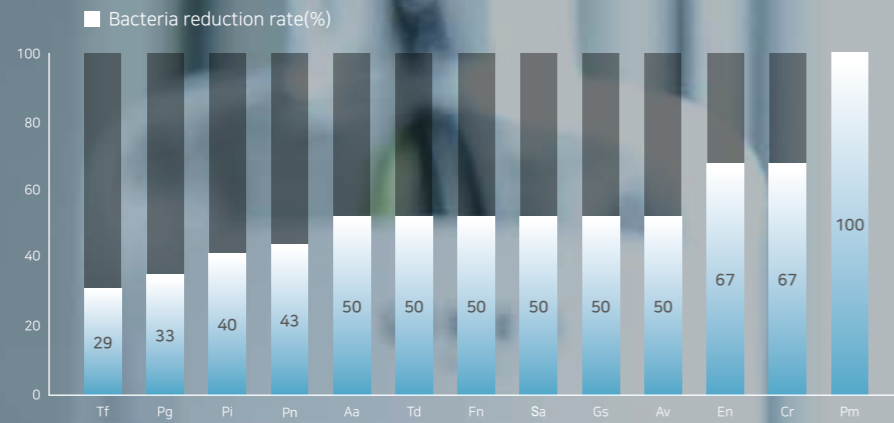

Sprinkle it over toothpaste when brushing teeth.

### # Capacity

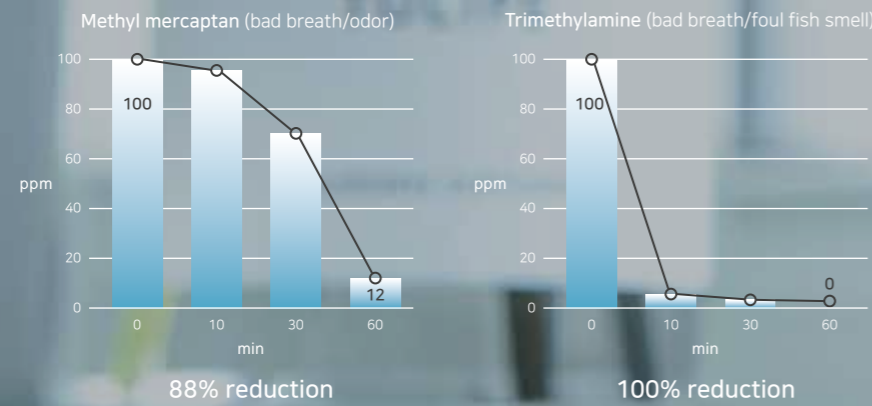

It can be used up to 15 days when used by 7g for 3 times a day.

### Reduction of 13 harmful oral microorganisms by 29~100%

Changes in the number of harmful oral bacteria when cleaning time was used 3 times a day for 4 days

### Reduction of bad breath after using CLEANING TIME for an hour
